Huber** Former Member, Maine House of Representatives (ME) · **Lois Detrick** President, League of Women Voters of Missouri (MO)

What do these women have in common?

We agree: Don't cut lifesaving foreign aid

Less than 1 percent of the US federal budget goes to foreign aid programs that tackle global hunger, poverty, conservation, disaster relief, and the destructive effects of a changing climate. Cuts to foreign aid won't close the budget gap but they will have devastating consequences for millions of women and children. Congress, protect this lifesaving funding.

Learn more at OxfamAmerica.org/one-percent.

To maintain our independence, Oxfam does not accept funds from the US government.
